Digital Prepress

We are Windows-based. Our publications are designed in a Windows environment. We can not accept Mac based files.

Ads should be sent to us digitally in a PDF Adobe Acrobat file with no registration marks. When saving the file in a PDF format save it in the "press ready" mode. For assistance call 845-562-3606.

E-mail advertising files to sales@excitingread.com. Please include your company name in the

subject field. We accept advertising files designed in the following programs: Photoshop, QuarkXpress and Illustrator. When possible please convert all fonts to curves or outlines.

If you can't do the font conversion please attach the font family to your file (PC fonts only).

Include all images used in the design of your ad at an 85 line screen plus printer and screen fonts. When choosing colors, never rely on screen colors. Convert all colors to CMYK at an 85 line screen for graphics and **print to check your color**. PMS and RGB (screen) colors do not print exactly when converted to CMYK. Black copy should be in black type only, not in CMYK.
